Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Please either disallow this show of force by Sinclair or mandate that they show and similarly promote Fahrenhiet 9/11 directly after the anti-Kerry thing.

By the way, Mr. Powell's abdication of responsibility in this matter is cowardly, callow and shameful. I believe Alfred Sikes would have done the right thing during the first Bush administration. I look forward to the day when he loses his job.

Sincerely,

Doug Last
